1	Before considering a response, could you confirm whether a New Zealand-registered supplier is eligible under the published requirements?	<i>This RFP is only eligible to entities incorporated or registered under the Namibian laws where 51% equity is owned by Namibian citizens of which no less than 30% is owned by Previously Disadvantage Persons.</i>
2	In particular, is there guidance on accepted overseas equivalents for the mandatory tax, social-security and Affirmative Action documentation, and does the procurement method allow international requirement for references from local corporate entities registered suppliers permit relevant overseas client references?	Guidance is provided on the acceptable overseas equivalent's mandatory documents where the procurement method allows international registered suppliers.
